* **Compliance with the Directives:** 2000/53/CE; 2002/45/CE; 2002/62/CE; 2002/95/CE and 2011/65/UE (Rohs); 2004/96/CE; 94/27/CE; 2002/61/CE; 2001/95/CE; 2003/11/CE; 2004/21/CE; 2003/36/CE; 2003/53/CE; 2006/122/CE; Regulation 1907/2006 (REACH). The finishings are compliant with the above-mentioned rules, save where is explicitly specified the not compliance. Furthermore in these finishings are not present, or are present in the limits allowed, all the restricted substances. **The restricted substances list can be consulted on the web-site in the menu Production, in the page Conformity to Directives, in the ANNEX 1 attached in Appendix “Complete list of the finishings and treatments performed in SILGA S.p.A.”.**

This document must be considered as useful informations and it isn't an official declaration of finishings compliance. For more details you can contact our technical staff.
